PROCUREMENT REGULATIONS

Child and Adult Care Food Program procurement requirements are found in 7 CFR 226.22. The summary below addresses some key points of the regulation:

- Full requirements are documented in 2 CFR 200, subpart D; 2 CFR 400; and 2 CFR 415.
- You are bound by the provisions of any contract you enter into, whether or not that contract resulted from a proper procurement process, **but** any costs incurred under a contract that does not meet the requirements of the regulation are unallowable costs.
- The Ohio Department of Education is not a party to any contract formed pursuant to this agreement
- If you make any changes to this prototype document, you need to submit those changes to us for approval **prior to** beginning your solicitation process.

Carefully read the attached instructions. Please contact your EPS or call our office toll-free at 1-800-808-6325 if you have questions or need assistance.

Procurement resources are also available on our web site at education.ohio.gov

Small Purchase Vended Meal Contract Instructions

These instructions are a combination of State agency policy and the following federal regulations:

1. 7 CFR 226: Child and Adult Care Food Program
2. 2 CFR 200 D
3. 2 CFR 400
4. 2 CFR 415

All procurement transactions regardless of whether by formal sealed bids or by informal negotiation and without regard to dollar value shall be conducted in a manner that provides maximum open and free competition. Sponsor must retain records of all procurement activity for three years plus the current fiscal year or until audit or review questions are finalized, whichever is longer.

When the total cost of vended meals is under \$250,000 during a fiscal year, small purchase methods may be used. Unified contract requirements may not be divided into small purchases in order to bring each individual purchase under \$250,000.

Sponsor shall contact at least three suppliers and obtain competitive price quotations from each. Unlike formal sealed bidding, where bid prices must be considered firm and final, negotiation of prices and terms with one or more of the suppliers contacted is permitted. All contact information, including prices discussed/negotiated with potential vendors should be documented and kept on file. Care must be taken to ensure that all potential suppliers receive the same information about the requirements.

DOCUMENTATION OF CONTACT/ VENDOR PRICE QUOTE RESPONSE

Sponsor must contact at least three qualified vendors (see definition below) and document contact by completing the Documentation of Vendor Contact form that is on page I-4.

Qualified means: eligible, able and willing to supply the item (food) or service.

- ELIGIBLE means the potential vendor can meet required licensing or certification requirements and there are not conflicts of interests or other constraints.
- ABLE means the potential vendor can fulfill the sponsor's requirements.
- WILLING means the potential vendor has a bona fide interest in obtaining the sponsor's business/vending contract.

Sponsor must send a copy of Vendor Price Quote Response form on pages I-6-I-7 to at least three potential Vendors to complete. Sponsor must also include a copy of Schedule A, detailing the number and location of sites to be serviced. Prior to sending the form, the sponsor must complete contact information at the top of the form, select if geographic preference will or won't be applied in awarding the contract, indicate preference to have milk included or excluded in unit price per meal quote on page 2 and complete information in columns C and E of the chart on page 2. The potential Vendor is to complete response in Part B if geographic preference is applicable and complete columns G and I of the chart. The potential Vendor is to turn this signed form back to the sponsor in a timely manner in order for the sponsor to proceed with completing the procurement process.

MEAL SPECIFICATIONS

The meal specifications provided in Schedule C are a basic sample. If you have specific things that you do or don't want to see on a vendor menu, this is the place to list them. Some examples could include:

- No menu items may contain pork or pork products
- Fresh fruits must be offered at least 3 times per week

Specifications must not be overly restrictive or include specific brand names or proprietary items.

OHIO DEPARTMENT OF AGRICULTURE FOOD SAFETY REGISTRATION / MEAT INSPECTION LICENSE

In order to provide food to program sponsors, vendors must have a Food Safety Registration and Meat Inspection License from the Ohio Department of Agriculture (ODA).

Food Safety Registration

Generally, a facility that produces food products at a commercial location and delivers those products to another location for sale or distribution is required to register with the ODA division of Food Safety.

Meat Inspection License

Additionally, vendors who produce and deliver meals containing meat and/or poultry are generally required to obtain a Meat Inspection License from the ODA division of Meat Inspection.

Exemptions

Certain meals are generally exempted from Division of Meat Inspection requirements. Exemptions include: closed faced, traditional sandwiches; meals comprised only of cheese, seafood, or vegetables; meals that contain less than 2% cooked meat/poultry by weight; and meals served under the supervision of a vendor employee. If a vendor anticipates serving meals that are exempt from meat inspection, they should contact the ODA division of Meat Inspection to obtain a letter of exemption.

- **Sandwiches**

To qualify for the exemption, sandwiches must be prepared and delivered with the meat/poultry between two pieces of bread or a bun. If the meat/poultry item (e.g. a hamburger patty) is delivered separately from the bread/bun and not assembled until it is served, it would not qualify for the exemption.

- **Pizza**

To qualify for the exemption, pizza must contain less than 2% by weight of cooked meat/poultry.

- **Supervised meals**

If an employee of the vendor remains at the site for the duration of the meal service, meals are generally exempt from inspection. This is true regardless of who actually serves the meal.

GEOGRAPHIC PREFERENCE

Sponsors receiving funds through the Child Nutrition Programs are allowed to apply an optional geographic preference in the procurement of unprocessed locally grown or locally raised agricultural products.

"Unprocessed agricultural products" means only those agricultural products that retain their inherent character. The effects of the following handling and preservation techniques shall not be considered as changing an agricultural product into a product of a different inherent character: cooling, refrigerating, freezing; size adjustment through size reduction made by peeling, slicing, dicing, cutting, chopping, shucking, and grinding; drying/dehydration; washing; the application of high water pressure or "cold pasteurization"; packaging (such as placing eggs in cartons) and vacuum packing and bagging (such as placing vegetables in bags); butchering livestock, fish and poultry; and the pasteurization of milk.

There is no requirement that sponsors must purchase locally grown and locally raised agricultural products.

There is no requirement that a sponsor must apply geographic preference in their procurements of these products.

Guidelines for Geographic Preference

- Geographic Preference applies to the unprocessed locally grown or raised agricultural product
- Geographic Preference does **not** apply to the location of the FSMC. It applies to the source of the products used by the FSMC in fulfillment of the contract.
- Discretion to define the local area for any geographic preference is left to the Sponsor. The Sponsor is also responsible for determining if Vendor meets the geographic preference criteria in awarding the contract and throughout the contract period. If Vendor fails to meet Sponsor's geographic preference criteria during the contract period, documentation must be maintained to provide justification of not renewing the contract or not awarding contract to Vendor again if rebid.
- "Local" must not be defined in a way that unnecessarily limits competition

If you would like to apply geographic preference to this procurement, please contact our office for guidance.

Use the checklist below to ensure that all documentation is completed.
